Thank you for your interest in Mr Munro's wedding packages.

Mr Munro is run by owner photographer Anthony. He gained his experience by studying at RMIT University and assisting some of Melbourne's top commercial and wedding photographers. Anthony approaches your wedding in a relaxed atmosphere, starting with a pre wedding meeting at your favourite coffee shop, your lounge or over Skype to discuss your wedding and planning of your day. This pre wedding planning session will assist us on the day, let the day flow and allow candid relaxed moments to be captured.

We rarely spend less than 10 hours at a wedding as we enjoy capturing the whole story from start to finish. We currently offer 8 hour and 10h our packages below..
